#### Find a Sales Rep/ Distributor

#### Contact Us

U.S. Sensor, a leading Thermistor Manufacturing Company in Orange, CA has an opening for an experienced individual to interface with our customers and provide Application Engineering assistance as well as other related functions within the U.S. Sensor Engineering and Sales Departments. The candidate must have an Electrical Engineering degree or equivalent experience. The best candidate will be capable of wearing many hats within our organization, have excellent computer skills, be a team player and, most importantly, be customer oriented. This is an excellent opportunity to join a growing company.

Compensation : Salary commensurate with experience  
Please email resume including salary history to:
